

PLT LockNess 4660, 26" Throat
Professional Grade

LockNess

26" Channel Letter Clincher

The LockNess takes your letter assembly to another level, with lightning-fast operation and unmatched efficiency. It securely fastens various materials using clinching or self-piercing rivets.

Fits large letters with up to 8" in depth

The 26-inch bite depth with adjustable table allows you to fit large workpieces. The long stem lets you clinch deep into your letters without bending them.

Lightning-fast production

Raise your throughput without adding employees, with 120+ cycles per minute.

Join aluminum, Lexan, ACM, and more

Accommodate a variety of materials and thicknesses. Our team can provide you with the correct tooling for your letters.

Unmatched support and service

Phone support from 7 a.m. to 5 p.m. EST.
Remote tech-support within 4 hours
