SEP 8, 2025 | COLUMBUS, OH

SPONSOR KIT

AIRISING.ORG

AI Rising Conference is the premier event for cutting-edge AI technology, offering world-class insights for enterprises ready to harness AI's potential.

Join us for elite networking and innovation showcases in the Midwest's tech hub.

SHAPING THE FUTURE, TOGETHER

The **AI Rising Conference** is where passion for the transformative power of AI ignites action. We're committed to demystifying how enterprises can actively shape their futures with AI. It's here that we bridge the gap between business leaders eager for clarity and AI innovators bursting with practical solutions.

Our mission is to empower organizations to leverage AI's potential now, revealing the tangible steps necessary to enhance efficiency, drive innovation, and enrich lives.

Join us to uncover how your enterprise can harness AI today, setting a new standard for what's possible tomorrow.

2024 Panelists from Wells Fargo, PayPal, Drive Capital, Nationwide, and The Ohio State University.

VISION

Envisioning a future where AI and human ingenuity are interwoven, AI Rising aspires to be the nexus of transformation, where business leaders align with AI trailblazers to build technologies that redefine industries and elevate human potential.

STRATEGY

Our strategic approach intertwines comprehensive AI knowledge sharing with pragmatic business applications. At AI Rising, we facilitate a melting pot of ideas by bringing together AI leaders, business strategists, and tech enthusiasts to spark conversations that catalyze industry-wide AI adoption and innovation.

AUDIENCE

The AI Rising Conference is the go-to platform for those at the forefront of business and technology. Our audience includes corporate executives, AI experts, budding entrepreneurs, and tech aficionados united by a shared enthusiasm for AI's capabilities to revolutionize business landscapes and society at large.

ABOUT THE CONFERENCE
