Fried Chicken & Champagne

A Match Made in Heaven

The bubbles in Champagne cut through the richness of fried chicken by effectively breaking through the fats on your palate. Bonus: in these wines the winemaking process results in expended yeast cells which help aid digestion — it was the only thing Marilyn Monroe drank — practically good for you!

GO BIG OR GO HOME

We have the Biggest Champagne list in America. Ask your sommelier for the sacred scrolls!

CHAMPAGNE

<p>Pierre Moncuit Coulmet, Blanc de Blancs, Extra Brut \$27/glass Chardonnay-based Champagne = Chicken's best friend</p> <p>Telmont Réserve de la Terre, Extra Brut \$30/glass Organic and transparent bubbles, it's all printed on the label!
