

Fried Chicken & Champagne

A Match Made in Heaven

The bubbles in Champagne cut through the richness of fried chicken by effectively breaking through the fats on your palate. Bonus: in these wines the winemaking process results in expended yeast cells which help aid digestion — it was the only thing Marilyn Monroe drank — practically good for you!

GO BIG OR GO HOME
We have the Biggest Champagne list in America. Ask your sommelier for the sacred scrolls!

CHAMPAGNE

Pierre Moncuit Coulmet, Blanc de Blancs, Extra Brut \$27/glass Chardonnay-based Champagne = Chicken's best friend	La Caravelle Brut Rosé \$29/glass The Fairy Godmother of Pink Bubbles
