Official Notice of the Annual Meeting of the Members of Delta-Montrose Electric Association

Notice is hereby given of the 2026 Annual Meeting of the Members of Delta-Montrose Electric Association (DMEA), to be held **Thursday, June 18, 2026**, at the Olathe High School, 410 US-50, Olathe CO, for the purpose of electing members to the Board of Directors, receiving reports covering the calendar year 2025, provide results from a membership vote regarding an amendment to the Articles of Incorporation, and for transacting such other business as may properly come before the meeting. Notice of this meeting date was previously posted on DMEA's website at least six months prior, and written notice of the meeting has also been sent by electronic communication to all members.

The candidates include incumbents Enno Heuscher (District 6), Damon Lockhart (District 7), and Stacia Cannon (North Region). Because all director candidates are running unopposed, members will be asked to confirm the candidates by voice vote at the Annual Meeting rather than voting by ballot, consistent with DMEA bylaws. The official ballot will include a separate vote on a proposed amendment to the Articles of Incorporation that would change the term limits for directors. At its March meeting, the board voted to refer this potential change to the membership for consideration.

Registration for the meeting will open at 4:30 p.m. and close at 5:30 p.m.

Voting for the Articles of Incorporation amendment for term limits shall be by mail, online, or in-person. Mail-in and online ballots must be received by June 16, 2026, to be counted. If not cast by mail, member votes may be cast in person at the Annual Meeting between 4:30 p.m. and 5:30 p.m. The election results will be announced during the business meeting.
