**ESPOSITORE PER TAPPI SERBATOIO
FUEL CAPS DISPLAYER**

Abbiamo progettato questo espositore per permettervi di dare più visibilità a questa gamma di accessori.

L'espositore viene fornito completo di 12 tipi di tappi LEMA (4 tappi per ogni tipo) che hanno una grande movimentazione e garantisce quindi la risposta ideale alla maggior parte delle esigenze nel settore dei veicoli industriali europei. Nel vassoio alla base dell'espositore trovano posto due scatole di prefiltri carburante LEMA universali.

Il montaggio è estremamente semplice e rapido (con un foglietto di istruzioni incluso) e permette di ottenere un prodotto con ottima stabilità e resistenza.

La struttura è in cartone e comprende 12 ganci in metallo.

Dimensioni (LxPxH): 60x38x185 cm

This displayer has been designed to help you give more visibility to this range of products.

It is wholly furnished of 12 different fuel caps LEMA (4 caps of each type) which are fast moving goods, in order to guarantee your customer satisfaction.

On the basis there is also place for two boxes of fuel prefilters LEMA.

Extremely easy and fast assembly (instructions for assembling included).

Great stability and resistance.

Cardboard structure with 12 metal hooks.

Dimensions: (LxWxH): 60x38x185 cm.
