

LIMITED WARRANTY CERTIFICATE

This is to certify that all FirePro Condensed Aerosol Fire Extinguishing Generators are built to the highest engineering and manufacturing standards, are thoroughly inspected before leaving our premises and are covered by:

- A three (3) year, from the date of purchase, warranty to be free from defects in material and workmanship
- A five (5) year, from the date of purchase, warranty to be functional

The warranty does not cover defects resulting from modification, alteration or misuse and exposure to corrosive conditions or exceptionally high temperatures.

The warranty is valid provided that:

- The Condensed Aerosol Generators have been installed by a suitably trained and authorised technician in accordance with the latest User Manual and
- The customer records verify that the Condensed Aerosol Generators have been serviced and maintained in accordance with the above - mentioned User Manual

The warranty is valid according to our Terms and Conditions of Sale.
