Production Quality Assurance Certificate

No. BSI/UK/PC/560437

Schedule of Approval

Conditions of Certification

- i) This certificate remains valid unless cancelled or revoked, provided the conditions listed below are complied with and the equipment remains satisfactory in service.
- ii) This certificate loses its validity if the manufacturer makes any changes or modifications to the approved quality system, which have not been notified to, and agreed with the Approved Body named on this certificate and/or after lapse of time, withdrawal or revocation of the UK Type Examination (Module B) Certificate.
- iii) The equipments detailed above are to be manufactured in accordance with Conformity to Type Based on Quality Assurance of the Production Process (Module D) Certificate of the Merchant Shipping (Marine Equipment) Regulation SI 2025/1280.
- iv) If the specified standards are amended during the validity of this certificate, the product type are to be re-approved prior to it being supplied to vessels to which the amended standards apply.
- v) Production tests are to be conducted in accordance with the applicable requirements of the UK Marine Regulation and be recorded by the manufacturer in accordance with the approved Conformity to Type Based on Quality Assurance of the Production Process (Module D) Certificate of the Merchant Shipping (Marine Equipment) Regulation SI 2025/1280.
- vi) This certificate authorises the manufacturer or his authorised representative established within the Community in conjunction with the UK Type Examination (Module B) Certificate of the equipment listed in the scope to affix the "UK Conformity Mark".
- vii) Each equipment is to have the "UK Conformity Mark" affixed and be issued with a "UK Declaration of Conformity".

Example for the Application of the "UK Conformity Mark":

0086/YY or
0086/YYYY

0086 – Approved Body number undertaking surveillance module.
YYYY –Year of affixing conformity mark.
