- A **Refundable Accommodation Deposit** (RAD) is a one-off lump sum paid for your accommodation. Mayflower will retain 2% of the deposit per year, for up to five years. It will be refunded when you leave, less any retention amount and any fees that you agree to draw down from it.
- A **Daily Accommodation Payment** (DAP) is a rental-type payment. Instead of paying for your accommodation in full, you can choose to pay an ongoing payment. This fee is non-refundable. The amount you pay is calculated based on the RAD amount at a government-set interest rate of 7.61% (from 01 October 2025, subject to change without notice).
- A **Combination Payment** enables you to pay part RAD and part DAP. If you choose to have the DAP taken from the RAD your DAP will increase over time as the RAD is reduced. Any remaining RAD balance will be refunded when you leave, less any retention amount and any fees that you agree to draw down from it.

A sample of accommodation payment options is set out below.
