THE RESTAURANT

Think homely but on a technicolour scale.

The restaurant is everything you'd expect from a modern Mexican cantina. It's relaxed, it's comfortable + you feel like you're in permanent fiesta mode. Having previously been used for a variety of events, it is a versatile space with floor to ceiling doors, which allows a combination of indoor + outdoor flow. A fan favourite is the booth seating + graphic street art on the wall.

Can be used with 1/2 Terrace to extend space.

THE TERRACE

The relaxed outdoor area features a large covered space + a heating system so it can be enjoyed the whole year round. The space is flexible + drenched in beautiful light.
