NEW BUSINESS

Greg Lane facilitated a conversation on NAHB's Membership efforts.

Thoughts of the current membership model?

-Concerned about how the dues, fees will flow.

-How will the dues be collected & how long will NAHB have a hold on the dues.

-Who & where will dues check be mailed to the HBA?

Monthly Billing?

-Not interested in monthly billing. Members will drop.

-Not interested in tracking down credit cards that have expired or been lost.

-Seasonal companies will drop.

-Group consensus is "no" to monthly billing.

- Yes to autorenewal.
- Tiered Membership?
- How will vesting work?
- Would lose membership on renewal.
- Will give voting power to national builders.
