Looking Back: Where Have You Seen Jesus at Work?

[Read Small Group Guidelines](#)

Reminder: This is a judgment-free space—people can share wins, struggles, or even things they're still unsure about.

Opening Prayer

“God, thank You for gathering us again. We invite you to bring awareness and honesty as we reflect on what you’ve been doing in and through us. Give us wisdom as we share and humility as we listen. Help us honor one another and grow together as followers of Jesus. Guide this conversation. Amen.”

Overview

Guided Reflection (No Video This Week). We're taking a pause this week to reflect on the journey so far. Think back on the past 5 weeks of the Jesus Way series—what has stood out, challenged you, or changed you?

Discussion Questions

1. What is one moment, teaching, or conversation from this series that has stuck with you so far?
2. Where have you felt stretched or challenged when it comes to building bridges across differences?
3. Have you noticed any changes in how you see or respond to people who are different from you?
4. Can you share a moment where you intentionally chose the way of Jesus in a relationship or situation?
5. Where do you sense God is still working on your heart?

Closing Prayer

"Thank You for this time of reflection, honesty, and community. Thank You for meeting us in our conversations, our questions, and even our struggles. We recognize that none of us have fully arrived — we are all still a work in progress — but we trust that You are faithfully shaping us day by day into the way of Jesus. May what we discussed tonight move beyond words and begin to transform the way we live, love, and serve others. In Jesus' name, Amen."
