BEST PRACTICES

Enhance Your Local Database

- Coordinate with Your PMS/Marketing System Administrator
 - Confirm they are aware of the Profectus report and can ingest profiles into your local CRM or enhance existing records.
 - Ensure a match/merge process is configured to eliminate duplicates.

Operationalize the Data

Marketing Use Cases

- Segment and target Member vs. Non-Member profiles for personalized offers.
- Send pre-arrival messages tailored to I Prefer Members.

On-Property Operations (if synced with PMS)

- Use Arrivals Reports to identify I Prefer Members.
- Recognize membership at check-in to reassure Members and enhance their experience.
- Plan for room upgrades and benefit delivery for Gold & Titanium members.

Reporting & Insights

- Analyze Member vs. Non-Member stay behavior to understand value and trends.
- Track post-stay survey feedback by Member type for deeper insights.
