

Global Lounge Network Announces Soft Opening of New VIP Lounge at LPIA

NASSAU, THE BAHAMAS — SEPTEMBER 17, 2026 — Global Lounge Nassau, Global Lounge Network in partnership with Leslie Pindling Consulting Agency (LPCA), is pleased to announce the soft opening of its newly reconstructed VIP lounge in the U.S. Departure Terminal (Terminal C) at Lynden Pindling International Airport (LPIA), formerly home to the Graycliff Lounge.

Operating under the new name “**THE LOUNGE NASSAU**,” the facility represents a significant investment in enhancing the passenger experience at LPIA, with an initial investment of more than US \$1 million in the reconstruction, modernization and upgrading of the facility.

Following its soft opening, The Lounge Nassau is scheduled to officially open to the traveling public on October 1, 2026.

A NEW STANDARD IN AIRPORT LOUNGE EXPERIENCE

Global Lounge Network operates 80 VIP lounges in 14 countries across the United States, Latin America and Europe, providing premium passenger services in numerous international markets. The company brings its international experience, operational expertise and commitment to high-quality passenger service to The Bahamas.

The newly redesigned The Lounge Nassau offers passengers a contemporary, elegant and comfortable environment, featuring:

- Comfortable indoor and outdoor seating for up to 100 passengers
- Newly designed male and female restrooms
- Executive meeting facilities
- A dedicated children's play area
- High-speed Wi-Fi
- A modernized kitchen and food-service operation
- A newly designed bar and beverage service area
- A contemporary and sophisticated lounge environment

Access to The Lounge Nassau will be available through day passes purchased online, as well as to Priority Pass members and eligible First and Business Class passengers, subject to applicable airline, membership and access arrangements.

Next Phase: International and Domestic Departure Lounge

With the opening of The Lounge Nassau in the U.S. Departure Terminal now completed, Global Lounge Nassau will turn its attention to the renovation and modernization of the Lignum Lounge, located in the International and Domestic International Departure Terminal (Terminal A) at LPIA.

The second phase will involve a comprehensive redesign and reconstruction of the facility, with Global Lounge Nassau anticipating that the project will take approximately six months to complete. The development of both facilities represents Global Lounge Network's continued commitment to providing travelers through LPIA with enhanced comfort, service and hospitality while supporting increased opportunities for Bahamian employment and local business participation.

GLOBAL LOUNGE NASSAU LOOKS FORWARD TO WELCOMING TRAVELERS TO THE LOUNGE NASSAU AND TO ESTABLISHING A NEW STANDARD OF AIRPORT LOUNGE HOSPITALITY AT LYNDEN PINDLING INTERNATIONAL AIRPORT.
