

LED A19 LAMP

Model No. EA19-12W2100et

LED **EA19-12W2100et** 3 Way Technology replaces conventional 40/60/100 Watt incandescent bulbs delivering more brightness (lumens) for less energy (Watts), with lower energy consumption levels you will be able to experience considerable energy savings throughout the years. **EA19-12W2100et** design reduces internal bulb heat providing greater durability when compared to incandescent bulbs and energy-saving lamps. Enjoy features such as: Instant-on, Energy Efficient, and Enclosed Fixture Suitable.

3-way dimming is supported only when installed in an E26d socket.
Dimming control is achieved through the rotary or pull switch integrated into the socket.
