

To Patient:

Keep this card with you at all times and show it to any medical/dental professional who may provide treatment while you are enrolled in the study.

To Medical/Dental Professional:

The bearer of this card is participating in clinical research study SBT777101-01, a Sonoma Biotherapeutics study, and is receiving SBT777101. Please contact one of the investigators listed on the reverse side before treating the patient or altering his/her therapy.

SBT777101-01
