Kleenstone™ 10-Year Limited Warranty

Congratulations on purchasing your new Kleenstone™ benchtop. Archant is pleased to present the terms and conditions of your Kleenstone™ 10-Year Limited Warranty. This warranty applies to the Kleenstone™ slab provided by Archant and used in creating your benchtop by an approved fabricator.

Your satisfaction with your Kleenstone™ is important to us. Upon completion of your warranty registration by your stonemason, you will receive a Kleenstone™ care kit. We encourage you to read through our Care and Maintenance Guide to ensure your benchtop remains in excellent condition.

For any questions or issues, please contact **0800 ARCHANT** (0800 272 4268)

Warranty Coverage

Kleenstone™ offers a ten-year warranty to original owners, ensuring the product is free from manufacturing defects for ten years from the date of installation. It is the owner's responsibility to inspect the product upon receipt and approve the final installation. This warranty covers products fabricated and installed correctly for residential or commercial interior use by approved fabricators, used as intended, and maintained according to Kleenstone™ care instructions.

Warranty Exclusions

- The warranty is void if the product has not been paid for in full.
- Covers only manufacturing defects and excludes damage from mishandling, structural movement, abnormal use, misuse, chemical exposure, or thermal shock.
- Installation issues must be resolved directly with the point of purchase and are not covered by the warranty.
- Does not cover transportation, removal, disposal, re-installation, fabrication, or associated costs beyond material costs.

Limited New Zealand Warranty

1. The distributor provides the following warranty for the slab, subject to the terms and conditions below.
2. The distributor guarantees that the slab will be free from manufacturing defects for ten years from the installation date.
3. The warranty does not cover:

 - Naturally occurring variations in appearance, including shading, quartz distribution, and reflectivity.
 - Inspection under non-critical lighting conditions.
 - Mishandling or misuse.
 - Damage from placing hot items directly on the slab.
 - Use of products containing trichlorethane or methylene chloride, or high alkaline/pH cleaning agents.
 - Pre-existing irregularities in the slab material before fabrication and installation.
 - Natural quartz surface variations within or on the slab surface.
 - Cracks due to mechanical stress, excessive weight, heat, or improper cut-outs.
 - Chipping from impact on the benchtop surface.
 - Temporary marks common to the concrete finish.
 - Material not installed by a qualified, licensed stonemason.
4. Cleaning Requirements
 - Please refer to the full Kleenstone™ Care & Maintenance recommendations.
5. Time for Claim Under the Warranty
 - Claims must be made within 28 days of the event giving rise to the claim, in writing to Archant - info@archant.co.nz
6. Statutory Rights
 - These terms do not affect your statutory rights.
 - Limitations do not exclude mandatory conditions and warranties implied by law.
 - Distributor liability is limited to repair or replacement at the distributor's discretion.
7. Privacy
 - Information provided for warranty purposes may be shared with other companies as necessary.
 - Individuals have rights of access and correction under the Privacy Act 1993.
8. Without Prejudice
 - The distributor may, at its discretion, supply replacement material or repair the benchtop as a goodwill gesture.
 - This offer is limited to free uncut slabs and does not cover associated costs.
 - The offer is not exchangeable for cash and is limited to slabs only.
 - The offer may be withdrawn at any time and is a one-time offer per site.
 - Replacement material must be collected within 28 days.

Kleenstone™ Genuine Batch Branding

Each genuine Kleenstone™ slab is stamped with a batch code and unique serial number to verify authenticity.

Ensure that the genuine Kleenstone™ product has been used in your installation by checking the underside of the slab where accessible.

The batch code and unique serial number is on the edge of the slab
