

GlaCerHub Training programme 2026

EVENT 1 – AGENDA

Date: Wednesday 20th to Thursday 21st of May, 2026

Location: CEITEC BUT, Purkyňova 656/123, 612 00 Brno
Meeting room B1.27 + HPMC₄I labs

Wednesday, 20th of May, 2026	
Day 1 – Module 1: Basics of materialography in technical practice	
9:00 – 9:10	Welcome, Introduction, Overview and Outline of the Module 1 sessions <i>Ing. Martin Juliš, Ph.D. – coordinator of EVENT1</i>
9:10 – 10:30	Introduction to the correct procedure for preparing materialographic samples from various materials <i>Ing. Pavel Gejdoš, Ph.D. – Junior Researcher @ HPMC₄I, CEITEC BUT</i>
10:30 – 12:00	Methods of the microstructure visualizing and methods of evaluating microstructural parameters using light microscopy <i>Ing. Pavel Gejdoš, Ph.D. – Junior Researcher @ HPMC₄I, CEITEC BUT</i>
12:00	End of Morning Session of Module 1
12:00 – 13:00	Lunch Break
13:00 – 18:00	Practical applications of the topics discussed in the metallographic laboratory <i>Ing. Pavel Gejdoš, Ph.D. – Junior Researcher @ HPMC₄I, CEITEC BUT</i>
18:00	End of the Day 1 – Afternoon session and Module 1

Note: Coffee breaks will be included according to the programme (labs, etc);

Thursday, 21st of May, 2026	
Day 2 –Module 2 Advanced materialography for laboratory specialist	
9:00 – 9:10	Welcome, Introduction, Overview and Outline of the Module 2 sessions <i>Ing. Martin Juliš, Ph.D. – coordinator of EVENT1</i>
9:10 – 10:30	Advanced procedures for preparing materialographic samples from various materials <i>Ing. Pavel Gejdoš, Ph.D. – Junior Researcher @ HPMC₄, CEITEC BUT</i>
10:30 – 13:00	Methods of the microstructure visualizing and methods of evaluating microstructural parameters using light microscopy <i>Ing. Pavel Gejdoš, Ph.D. – Junior Researcher @ HPMC₄, CEITEC BUT</i>
13:00	End of Morning Session of Module 1
13:00 – 14:00	Lunch Break
14:00 – 18:00	Practical applications of the topics discussed in the metallographic laboratory <i>Ing. Pavel Gejdoš, Ph.D. – Junior Researcher @ HPMC₄, CEITEC BUT</i>
18:00	End of the Day 2 Afternoon session and Module 2

Note: Coffee breaks will be included according to the programme (labs, etc);
