Following program implementation, we moved 58% of our most expensive products in less than two months and eliminated extra time spent tracking and sending out updates through automation.

-Dealer client

Augeo developed a powerful, flexible program that engaged dealers through compelling incentive programs and custom-tailored promotions, with fully automated communications, tracking, reporting and rewards.

The program powers dozens of incentive programs each year, with nearly 50 dealer organizations utilizing the tool to create and implement their dealer-specific programs.
