Augeo orchestrated an extraordinary 48-hour on-site experience in Iceland as part of a compelling sales incentive program. From securing luxury accommodations to organizing must-see tours like the Golden Circle and Blue Lagoon, every detail was meticulously planned.

Customized adventures surpassed everyone's expectations, including snowmobiling to an ice cave and Northern Lights viewing. Attendees enjoyed spa treatments with cocktails, networked with upper management and connected with coworkers and their spouses. This Iceland expedition was truly unforgettable.
