

From the Managing Director.....

Welcome New ID Members:

- Lennz Education Inc.: Niran George
 - Lennz Education guides and supports students through every step of their study abroad journey, from program selection to cultural adaptation.
- SkySpigot: Mark Molinaro
 - Out of Durango, CO, Sky Spigot is a clean tech startup developing technology that extracts fresh water from the atmosphere.

Much Appreciated:

Thank you to Kevin Flowers of KD Dynamics and Monica Hernandez from the SBDC International Trade Center for their presentations last week. Attendees learned about KD Dynamics's government IT solutions, as well as the global exporting education and resources offered by the SBDC International Trade Center. You can always access our presentations [here](#).

Congrats!

Maureen Dunne, Ph.D., founder of Autism Angels and investment partner of Innovation DuPage, spearheaded the creation of the Neurodiverse Entrepreneur Program (NDEP). This fall, Maureen will be featured on the PBS show "Inspired Lives" with Tony Fama to discuss NDEP and the positive impact it has on people with developmental and/or cognitive differences such as autism, dyslexia, learning disabilities, ADD/ADHD, and other related diagnoses.
