

Dear ,

As a valued member of the Innovation DuPage community, your progress is crucial to us. To help us assess this progress, we are conducting our annual survey to gather key performance indicators of your business, which in turn help us measure the overall success of our business incubator and accelerator.

Your participation is essential in helping us understand and communicate the impact Innovation DuPage has on the entrepreneurial ecosystem, regional economic development, and in supporting the businesses we serve. The survey is confidential and takes approximately 5 minutes to complete.

Please complete the survey by **March 15**. Your responses are confidential and we will only use information in aggregate to help us communicate the overall impact of ID.
