The ID Member Meetup is your pipeline for all information about Innovation DuPage!

Please join us this Wednesday (May 14th, 2025) in the Innovation DuPage Event Space - 535 Duane St. Glen Ellyn, IL 60137 at 9:30 a.m. We will be featuring:

Member Spotlight: Shazor Khan, Co-Founder of Scaylor, will showcase how their platform helps businesses streamline operations. Scaylor's tools connect financial data, simplify due diligence with AI, and improve deal-making through secure communication - helping businesses save time, reduce costs, and make better decisions.

Member Resource: Lindsey Harmon, Business Librarian at Naperville Public Library, will present the NaperLaunch Academy program. This resource offers two tracks - Starting a Business and Growing a Business - through 4-week series that cover essential business concepts and strategies. Sessions meet Wednesdays from 6:30-8:30 p.m. at the Nichols Library.

Design & Marketing Support for Woman-Owned Businesses: Ross Creative Works has launched their annual "Create for a Cause" event, offering \$10,000 worth of professional design and marketing services to one selected nonprofit or woman-owned business. Services include branding, landing page development, marketing materials, or campaign strategies.

The project will run from June 16-July 21, 2025, and the selected organization must be available during this period for meetings and check-ins. Applications close May 23, 2025, at 5 p.m. CST. [Learn more and apply here.](#)
