

Dear Members of Innovation DuPage,

The ID Member Meetup is your pipeline for all information about Innovation DuPage!

Please join us this Wednesday (August 20th, 2025) in the Innovation DuPage Event Space
- 535 Duane St. Glen Ellyn, IL 60137 at 9:30 a.m. We will be featuring:

Member Spotlight: Jamie Revell, Owner and President of W3 Body, will present as our Member Spotlight. W3 Body is a boutique fitness studio focused on personal and group training exclusively for women. As a woman-owned, women-run business, W3 Body helps members prioritize their health through personalized training programs, creating a welcoming environment where women can focus on building both physical and personal strength.

Member Resource: Dan Facchini and Hannah Macey will present marketing opportunities available to Innovation DuPage members, covering ways we can share member stories and promote your businesses. They will also share results from the Member Survey created in collaboration with Elmhurst University marketing students.

Upcoming Event:

Female Founders Roundtable: Join ID Member Jules Wilhelm for the upcoming Female Founders Roundtable on August 28th from 5-7 p.m. Limited to 9 participants, this pilot program is designed specifically to support women in their entrepreneurial journeys through practical strategies and community building. The program will meet monthly through December on a Thursday evening to focus on goal setting, personalized support, and peer collaboration. [Interested members can sign up here.](#)
