Staff Update

- Congratulations to Ricardo Magallon, who has been named Interim Clean Energy Incubator Program Director, and to Arlinda Bajrami, who has been named Interim Clean Energy Incubator Program Manager. ID is thankful for their demonstrated leadership and dedication to this exciting initiative.
- Welcome to Jessica Wain of Hobbs & Wain Advancement Partners! Jessica joins the ID team as a new member resource, offering grant writing and proposal development support. She will be available to ID Members and Clean Energy Incubator participants to help identify and pursue funding opportunities that will enable them to grow and scale their businesses.
- Innovation DuPage is currently seeking a Clean Energy Incubator Program Associate to support our expanding program. Interested candidates — or those with referrals — are encouraged to contact our Operations Director, Beth Wymyslowski, for more information.

Member Successes

Natural Science Obtains EPA Approval

After 18 months of work and waiting, Natural Science LLC's oil and chemical absorbent has been approved for use on land and U.S. waterways.

The patented, all-natural, magnetizable biomass does not absorb water—a key differentiator that was a major barrier to commercial success. With federal approval now secured, Natural Science LLC is moving into sales mode.

Opportunities

ID Member Pins

If you haven't yet, stop by Beth's office to pick up your ID Member Pin. And please remember to wear your pin to the Midwest Innovation and Entrepreneurship Summit on February 26! It's a great way to show your connection to the ID community while networking with entrepreneurs, investors, and industry leaders.

Sign Up for Green News

Innovation DuPage is excited to launch Green News, our official bi-weekly newsletter focused on clean energy, sustainability, and updates from our Clean Energy Incubator Program. All CEI Program participants will be automatically subscribed. If you're not a CEI Program participant but would like to receive Green News, please contact [Hannah Macey](#) to register. Our first edition will come out next week!

NIU MBA Capstone Program: One Spot Left for an ID Member!

Northern Illinois University
Your Future. Our Focus.

Northern Illinois University's MBA Capstone Program offers an exciting opportunity for local companies to receive comprehensive strategic business plans developed by Executive MBA student teams. Under the guidance of Professor Ed Buckley, these teams integrate their expertise in sales, marketing, finance, operations, and technology to create value for participating organizations.

This impactful program has already supported nearly 20 Innovation DuPage member companies, and NIU is still seeking one more ID Member company to participate this cycle.

If your company is interested in having an MBA team develop a customized business plan, please contact Ed Buckley by February 28 at: ed.buckley@allqualityinc.com, or (847) 778-6960

New Resource for ID Members: PitchBook

Innovation DuPage is excited to announce that PitchBook is now available as a research and fundraising resource for our members. Entrepreneurs seeking angel investment, venture capital, or strategic partnerships can now tap into PitchBook's extensive data on investors, deals, and emerging market trends to support their growth. Anyone interested in accessing this resource should be in touch with Ricardo Magallon, Mike Varon or Dan Facchini.

ID Member Industry Clusters

Innovation DuPage has launched a new meeting series, designed to connect ID Members working in the same industry. Industry Clusters will give you the opportunity to:

- Network with peers in your field
- Share resources and tools
- Discuss trends and challenges
- Request future speakers and programming

Clusters will meet 10:45 a.m.–12:00 p.m. in our event space, right after our regular Member Meetups (9:30–10:30 p.m. on Wednesdays). You're welcome to attend both! Here's the schedule for the next quarter:

- Feb 4 – EdTech & Education
- March 18 – Marketing
- April 1 – Technology
- April 29 – Consumer Goods & Services

- March 4 - Female Founders from 5:30 - 7:30 p.m.

More details and invitations coming soon. Questions? Reach out to [Elina Conley](#), ID's Entrepreneur in Residence.

Seeking Clean Tech Companies!

Innovation DuPage is actively looking for startups and small businesses working in the clean energy or clean technology industry - or referrals to companies that could benefit from our targeted support.
