

Innovation DuPage Member Meetup

Please join us tomorrow, July 22, 2026, in the Innovation DuPage Event Space at 535 Duane St., Glen Ellyn, IL 60137 at 9:30 a.m. We will be featuring:

Member Spotlight

Chip Borkowski, Founder of Autism Optimism Illinois, will present as our Member Spotlight. Opening its flagship 5,000 sq. ft. clinic in Downers Grove, Autism Optimism Illinois is building integrated autism care hubs that bring ABA therapy, occupational therapy, physical therapy, and speech therapy together under one roof — reducing wait times and making coordinated care more accessible for families across Illinois.

Member Resource

Arun Vijaymani, Entrepreneurship Faculty Member at North Central College's School of Business & Entrepreneurship, will present as our Member Resource. Arun teaches Strategy, Marketing Research, and Startup Valuation, and brings 20+ years of experience across semiconductor, food, and industrial sectors. He works with SMBs, veteran-owned businesses, and minority entrepreneurs to help them leverage AI and technology for real business growth.

As always, bagels and coffee will be served!
