

Innovation DuPage Member Meetup

Please join us tomorrow, August 19, 2026, in the Innovation DuPage Event Space at 535 Duane St., Glen Ellyn, IL 60137 at 9:30 a.m. We will be featuring:

Member Spotlight

Tom Wright, Founder and President of Peak Amp Instruments, will present as our Member Spotlight. Peak Amp helps facility teams turn existing building data into clearer maintenance priorities, defensible next steps, and documentation that supports budget and leadership conversations.

Member Resource

Heather Sattler will present as our Member Resource to introduce the ID Mentoring Program — a flexible, high-impact program that connects Innovation DuPage members with vetted industry experts for 1:1 mentorship tailored to their needs, covering everything from business development and funding to marketing, legal guidance, and more.

As always, bagels and coffee will be served!

If you can't attend in person, attend virtually through the Zoom Link below

Following the Member Meetup...

Female Founders cluster meeting starting in our event space at 10:45 a.m.

Parking Reminder for ID Members

Please remember to use the 3rd and 4th floors of the Civic Center parking garage when using your ID member parking passes. Thank you for your cooperation!
