TECH4REGEN

WHY PARTNER?

- **Gain early access to breakthrough technologies** and high-potential startups emerging from Switzerland's innovation ecosystem
- **Position your company at the center of the conversations** and cross-sector collaborations shaping circular, resilient and competitive industries.
- **Build strategic partnerships** with startups, researchers, industrial companies and investors actively developing next-generation industrial solutions
- **Shape the dialogue around industrial resilience** and the deployment of sustainable technologies at scale
- **Demonstrate your commitment to innovation** by supporting a program focused on execution, industrialization and commercialization of solutions delivering measurable environmental and business impact

SPONSORSHIP BENEFITS

- **Position your company** alongside EPFL Innovation Park, leading industrial companies and high-growth startups as a visible champion of circular industrial innovation and an ESG thought leader
- **Gain early visibility into emerging technologies** before they reach the wider market
- **Access collaboration opportunities:**
  - source innovations and talents
  - identify pilot projects and potential partnerships
  - meet future suppliers
  - discover licensing opportunities, etc.
- **Meet in a collaborative environment designed to foster productive discussions** with the innovation directors, sustainability executives, R&D leaders, procurement managers, investors, entrepreneurs and researchers driving the transition toward resilient and circular industries.

2025 AUDIENCE

- **270 participants:**
  - **24%** Startups
  - **17%** Industrial Companies
  - **30%** Professional Services & SMEs
  - **14%** Research
  - **8%** Innovation Programs
  - **5%** Investors
  - **2%** Public Institutions

- **31 exhibition stands**

- **1 closed-door Industrial Workshop**
  - **33** Participants (business & sustainability leaders)
  - **20** Corporates represented (*BASF, IKEA, Lenovo, Eaton, Swatch, P&G, Nestlé, PMI, Sonova,...*)

- **5 Sponsors:** *Logitech, SIGG, Feldschlösschen, Biscuits Agathe, Kinaï*

SPONSORSHIP & EXHIBITION OPPORTUNITIES

We offer several sponsorship packages for different levels of engagement:

PRINCIPAL PARTNER

SPONSORSHIP FEE: **CHF 10'000**
