

We have 2025-2026 NAP tax credits available

We have a limited amount of NAP Credits available to donors of MLK Center! What are NAP Credits? These **Neighborhood Assistance Program** credits are made available from the State of Indiana through nonprofit organizations like us. These are credits that directly reduce your Indiana state income tax liability, given in exchange for donations to the nonprofit organizations. The credits can be used on the tax return for the year in which you purchase them. (i.e. NAP credits "purchased" through donations made by December 31, 2025 will be available for use when filing your 2025 Indiana tax return. If we have any left beyond December 31, then you can reduce your liability on your 2026 tax return.)

For our 2025-2026 fiscal year, NAP credits will be available to MLK donors who give for the first time or donate an *increased amount* over their giving in our 2024-2025 fiscal year. Recurring monthly donations are eligible too! NAP credits are available first-come, first-served until we meet the limit we've been allocated by the State.

How does it work?

- The NAP credit amount is equal to 50% of the donation made to MLK Center
- Donations must be a minimum of \$100 (worth \$50 in NAP credits). This can occur over multiple donations (i.e. a recurring, monthly donation). We are making NAP credits available to donors who donate an *increased* amount over their 2024-2025 donations.
- Donors must complete a donor information form to provide the required information to the State. To start that process, please contact Mary Dicken at Mary@MLKCenterIndy.org
- We have a limited amount of NAP Credits we can "sell" to donors. Once they are all allocated, we cannot distribute any more. The State only gives us so much each year, and they are available on a first-come, first-served basis.

Thank you for the many ways you support MLK Center and work with us to build the Beloved Community! If you would like to take advantage of these available NAP credits, please [contact Mary](#) as soon as possible, and she will assist you with the process!
