2. THE VOTING PHASE

For the first time, we want the choice of workshops to be a collaborative process: REP participants will be able to vote for their favorite workshops. The 10 workshops with the most votes will be directly selected!

During one week, all those who wish to attend the event can express their views on the workshops they would like to see.

To vote and comment on your favorite workshops, click on the “Vote” tab. You must select a minimum of 3 workshops and a maximum of 10.

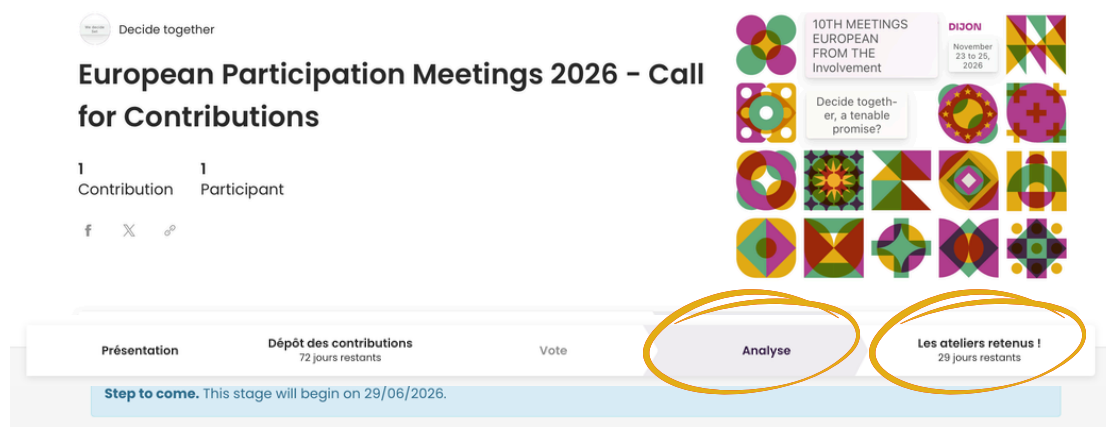

This phase will be open from July 1st to July 7th, 2026.

No email registration is required.

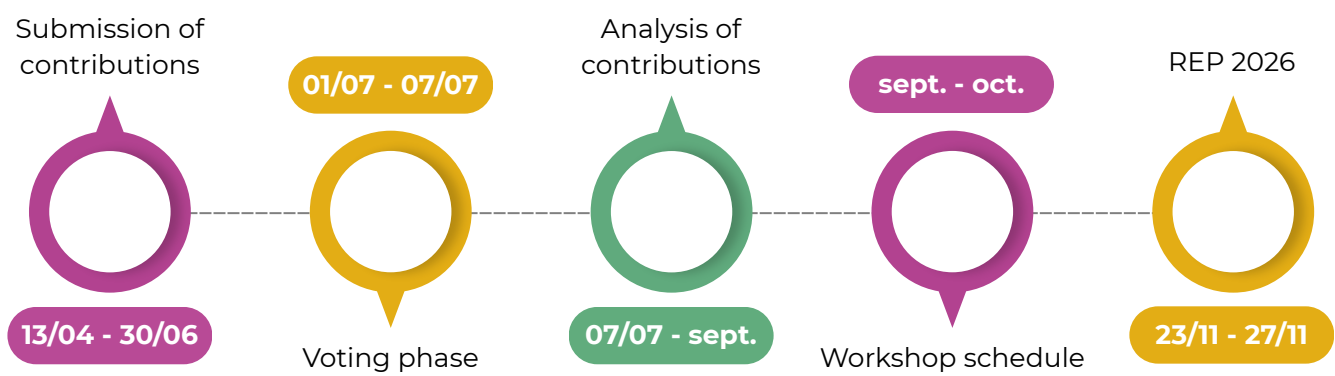

3. THE OTHER STEPS

The two remaining tabs are dedicated to Décider ensemble, presenting the analysis phase and the selected workshops.
