

## **Nathaniel Wilson**

### **Software Developer**

Tulsa, Ok 918-829-1855 [Natethegreat225@gmail.com](mailto:Natethegreat225@gmail.com)  
[linkedin.com/in/nathaniel-wilson225](https://www.linkedin.com/in/nathaniel-wilson225) GitHubLink <https://github.com/Natdog225>

Software engineering student with a foundation in C, C++, Python, Linux and full-stack development principles, complemented by an Associate's degree and 7+ years of professional experience in technical support, team leadership, and process improvement. Proven ability to troubleshoot complex issues, manage projects, and enhance operational efficiency (including driving a 600% sales increase in a previous role through strategic initiatives). Eager to apply problem-solving skills, a strong learning aptitude, and hands-on project experience to an entry-level software development or systems programming role.

#### **- EDUCATION -**
