An Estate Made for Love

At Woodhill Park Estate, every love story deserves a setting as unforgettable as the day itself.

Nestled within beautiful countryside, our exclusive estate combines timeless elegance, breathtaking surroundings and warm, personal hospitality to create a truly exceptional wedding experience.

Whether you dream of an intimate celebration or a spectacular gathering with family and friends, Woodhill Park Estate offers the perfect backdrop for every precious moment, allowing you to relax, celebrate and create memories that will last a lifetime.

Jasmine Courtyard

The south-facing Jasmine Courtyard, with its mature pale pink cherry trees, white Camellias, lavender and fragrant white lilies, provides a unique landscaped venue. Heritage varieties of espaliered fruit, sweet-smelling Jasmine and white Madame Alfred Carriere roses adorn the walls, while Lady's Mantle spills out from the borders. A fire pit offers a space to gather around the flames.

The Jasmine Room

With its rustic beams and glittering chandeliers, the Jasmine Room affords an atmospheric space to host:

- Cocktail parties for up to 135 guests
- Banqueting receptions for up to 70 guests

With further seating outside.

A large marquee can be accommodated in the wildflower meadows. There is a separate kitchen with equipment for caterers, crockery, cutlery and stemware.

We also have an in-house chef on hand who can supply sample menus on request, or bespoke suggestions for private dining, inside or in the gardens.

Amphitheatre

The Amphitheatre, with its sweeping views over the historic parkland, provides a stunning backdrop for any gathering, celebration or ceremony.
