EXPERIENCE

Production Designer, Brand Experience

UNIVERSITY OF CALGARY | CALGARY

APR 2024 - PRESENT

- Produced brand-aligned creative assets across digital marketing, social, paid media, print, presentations, and experiential touchpoints, effectively engaging both on- and off-campus audiences.
- Collaborated closely with designers, project managers, and communication specialists to transform creative concepts into polished, publish-ready artwork, ensuring brand consistency and meticulous quality across all touchpoints.
- Provided design expertise to diverse internal clients, incorporating feedback and exploring visual solutions to enhance template usability and refine deliverables, all while meeting project deadlines.

Graphic Designer

SCHOOLWIDE, INC. | NEW YORK

NOV 2023 - APR 2024

- Revamped existing sales collateral templates and delivered exceptional work for B2B sales and e-commerce, allowing the team to efficiently produce visually attractive materials for new product launches, leading to increased upsell opportunities.

Creative Designer

ASSEMBLY GLOBAL | HONG KONG

MAR 2022 - OCT 2023

- Contributed to the evolution of a newly rebranded identity by defining visual tone, mood, and design direction across marketing and digital touchpoints.
- Worked closely with the global marketing team to integrate design strategies into overall campaign efforts, contributing to increased brand visibility and engagement.
- Streamlined design workflows with client account leads, delivered high-impact campaign assets for APAC brands including DFS Group, Herman Miller, and Aman Resorts, often under tight timelines.
- Managed concurrent design requests across multiple regions, aligning timelines, expectations, and creative direction to ensure consistent, on-brand execution.
- Elevated client-facing pitch decks through concept-driven layouts, refined storytelling, and customized presentation templates.

Visual Designer

THE COLLECTIVE | HONG KONG

AUG 2021 - MAR 2022

- Designed websites for the company's portfolio, assisted in producing layout designs, storyboards, videos, animations, art installations, and mixed-reality interactive projects.

Graphic Designer

IDEA MAKER HK | HONG KONG

AUG 2020 - JUL 2021

- Led design initiatives for the products JobMatriz and Drawsth 3D, created appealing identities, promotion materials and digital assets for product launches.
