

Humberto Caraballo

UI/UX Product Designer

EXPERIENCE

• UI/Visual Designer

Datagran • August 2022 – Current

- Collaborated with the Front-End team to refine datagran.io, addressing bugs and updating it in alignment with Design System guidelines.
- Led design updates, proposing innovative solutions to elevate the user experience.
- Contributed to the design of APIs integrated into the product.
- Designed the interface for a chatbot, ensuring an intuitive and user-friendly conversational experience.
- Redesigned pages for external collaborators such as **United Roofing** and **Batuta Foundation**

• UX/UI Designer

Inakuwa • Feb 2022 – Jul 2023

- Conducted primary user research for the platform.
- Developed a platform from wireframes to a high-quality end product.
- Gathered information and organized forms to ensure a smooth onboarding flow for the platform.

• UI Designer

Graphitech Agency • Oct 2021 – Jul 2022

- Created digital products from scratch using Figma for several clients.
- Collaborated with Project Managers and Developers in the development of projects.
- Facilitated client meetings to showcase design advancements and engage in discussions about potential adjustments or revisions.
