★★★★★

Great Service, Fantastic Customer Support, Simple And User Friendly Platform!

What makes Playroll great is the exceptional service you receive as a client – which is becoming increasingly rare amongst other service providers. The onboarding team made the setup process incredibly easy and the legal support we got on understanding the laws and regulations in the new territory was fantastic.

Indispensable If You're Scaling Internationally

Their platform is user friendly and intuitive, for both employers and employees. Great customer support, they are always helpful and go the extra mile to solve a problem/request. They constantly develop new functionalities and improve the platform, and they also act on the constructive feedback they receive.
