**GREENVILLE
PRESBYTERIAN**
THEOLOGICAL SEMINARY

Because we receive a great deal of requests for graduates from churches with vacancies, we have relegated the details for those listings to our Pulpit Board. The pulpit board is also a great resource for churches who are seeking interns from our student body. It is also a public resource that is often used by other men seeking calls in Presbyterian and Reformed denominations.

If you would like to list a ministerial position on our pulpit board, please fill out the form below. You are welcome to include any extra documentation that would prove helpful for students seeking calls or internships. Please send those as PDF documents to lwoody@gpts.edu. If you have filled the position(s), please contact us so that we can remove the listings from the website. Each listing will be hosted for 1 year before being removed from the pulpit board. If, after a year, your church has not filled the position and would like to extend the listing, please contact us to let us know.
