CMC Chapter 17.98

Board of Zoning Adjustment

17.98.090 Ancillary game arcade.

The Board shall hear and decide applications for permits for the use of ancillary game arcades constituting greater than 20% of the usable floor area. The criteria to be used by the Board in deciding such application shall be the criteria used for deciding applications for conditional use permits as set forth in § 17.92.110.

CMC Chapter 17.92

Conditional Use Permit

17.92.110 Granting – Criteria.

(A) Neither the Commission nor the Council, upon appeal or Council initiated review, may grant a conditional use permit for any use, for which a conditional use permit may be granted under any provision of this title, unless it has first found from the evidence admitted during the hearing before the Commission or Council that the proposed use at the proposed location will not be detrimental to the public health, safety, convenience and general welfare and will be in harmony with the various elements and objectives in the city's General Plan.

(B) Prior to making such findings, the Commission and/or Council should in its deliberation consider whether the proposed use at the proposed location is detrimental to other existing and permitted uses in the general area thereof and relates properly to existing and proposed streets and highways.

(C) In granting a conditional use permit, the Planning Commission and City Council may impose such reasonable conditions as are deemed necessary and desirable to protect the public health, safety, convenience and general welfare of the city, in accordance with the intent and purpose of the city's zoning regulations. The conditions are incorporated into this code by reference.

(D) If a conditional use permit is granted by the City Council or Planning Commission for a proposed use, the exercise of the use shall be subject to all the property development standards of the zone in which said use is permitted by a conditional use permit, which standards may be made more restrictive by any condition imposed on the grant of said permit.
