CMC Section 17.91.070

Precise Plan Findings for approval

Neither the Planning Director, Commission nor the Council, upon appeal or Council initiated review, may in their deliberations grant approval of a Precise Plan, Precise Plan modification or minor Precise Plan modification unless it has first been determined, based on the evidence that all of the following findings can be made:

- (A) The proposal is consistent with the Corona General Plan;
- (B) The proposal complies with the zoning ordinance, other applicable provisions of the Corona Municipal Code and, if applicable, the South Corona Community Facilities Plan or Specific Plans;
- (C) The proposal has been reviewed in compliance with the California Environmental Quality Act and all applicable requirements and procedures of the act have been followed;
- (D) The site is of a sufficient size and configuration to accommodate the design and scale of proposed development, including buildings and elevations, landscaping, parking and other physical features of the proposal;
- (E) The design, scale and layout of the proposed development will not unreasonably interfere with the use and enjoyment of neighboring existing or future developments, will not create traffic or pedestrian hazards and will not otherwise have a negative impact on the aesthetics, health, safety or welfare of neighboring uses;
- (F) The architectural design of the proposed development is compatible with the character of the surrounding neighborhood, will enhance the visual character of the neighborhood and will provide for the harmonious, orderly and attractive development of the site;
- (G) The design of the proposed development would provide a desirable environment for its occupants and visiting public as well as its neighbors through good aesthetic use of materials, texture and color that will remain aesthetically appealing and will retain a reasonably adequate level of maintenance;
- (H) For Precise Plan modifications and minor Precise Plan modifications only, the following additional finding shall be made: the proposed development is compatible with and enhances the design of existing buildings and other physical features of the site.

11. Notice of Complete/Incomplete Applications

The approval of a development proposal requires the review of plans and technical documents. By signing below the applicant is acknowledging that a development application will be deemed incomplete if it does not include all required plans and technical documents, or includes plans and technical documents that are inaccurate or insufficient. By signing below the applicant also acknowledges that incomplete development applications will not be scheduled for public hearing until which time City staff has received and reviewed all required documents.

12. Authorization & Indemnification

To the fullest extent permitted by law, the applicant shall defend, indemnify and hold the City of Corona and its directors, officials, officers, employees, volunteers and agents free and harmless from any and all claims, demands, causes of action, proceedings, costs, expenses, liabilities, losses, damages or injuries of any kind, in law or equity, in any manner arising out of, pertaining to, or incident to any attack against or attempt to challenge, set aside, void or annul any approval, decision or other action of the City of Corona, whether such approval, decision or other action was by its City Council, Planning and Housing Commission or other board, director, official, officer, employee, volunteer or agent. To the extent that Government Code Section 66474.9 applies, the City will promptly notify the applicant of any claim, action or proceeding made known to the City to which Government Code Section 66474.9 applies and the City will fully cooperate in the defense. The Applicant's obligations hereunder shall include, without limitation, the payment of any and all damages, consultant and expert fees, and attorney's fees and other related costs and expenses. The City shall have the right to retain such legal counsel as the City deems necessary and appropriate. Nothing herein shall be construed to require City to defend any attack against or attempt to challenge, set aside, void or annul any such City approval, decision or other action. If at any time Applicant chooses not to defend (or continue to defend) any attack against or attempt to challenge, set aside, void or annul any such City approval, decision or other action, the City may choose, in its sole discretion, to defend or not defend any such action. In the event that the City decides not to defend or continue the defense, Applicant shall be obligated to reimburse City for any and all costs, fees, penalties or damages associated with dismissing the action or proceeding. If at any time both the Applicant and the City choose not to defend (or continue to defend) any action noted herein, all subject City approvals, decisions or other actions shall be null and void. The Applicant shall be required to enter into any reimbursement agreement deemed necessary by the City to effectuate the terms of this condition.
