# Dark Romance

Due to limited space, participants will be selected through a fair and random raffle process. Here's how it works:

## 1. Enter Your Name:

- You can submit your name Monday, February 2 through Wednesday February 4.
- Submit your entry at the front desk with staff.

## 2. Important Rules:

- One Entry Per Person: Any duplicate entries will result in disqualification.  
Staff will review all names to ensure fairness.
- Non-Transferable Tickets: If you are unable to attend, you cannot transfer your ticket to someone else.

Instead, please visit the front desk for a credit so the ticket can be raffled to another participant.

**Thank you for helping us make this event  
enjoyable and fair for everyone!**
