Spend the Day in Santa Barbara

Our first stop today will be in the historic downtown Santa Barbara area for lunch on your own where you will have a choice of many restaurants to dine in along with time for browsing and shopping before we check-in at 1:40 pm at the Visitors Center for our afternoon tour. Climb aboard Santa Barbara's original amphibious tour vehicle the "LANDSHARK" for a 90-minute narrated adventure. See this amazing coastal city from two points of view.
