1. The definitions for the above user groups, as well as applicable rules and regulations for the use of city facilities, are established and updated pursuant to City Administrative Policy No. 500.01 approved by the City Manager.

2. Lighting fees are based on actual hourly electrical rates. Hourly light rates are subject to change.

3. Aquatic groups or organizations, fees for the use of CNUSD swimming pools, according to the City's joint use agreements, will be \$40 per day for High School Pools as schedule permits.

4. A reservation application fee is due per "Application for Facility Use", \$10 for Groups II and \$25 for Groups III-V.

5. A refundable deposit will be required for some facility rentals as well as tournaments and special events using sports fields, turf areas and pools. This deposit is to ensure the facility is returned in its original condition (i.e., clean, with nothing broken or damaged) and the rental agreement guidelines are adhered to (i.e., group arrives/departs on time). The refundable deposit amount will be \$200 unless otherwise noted in the Fee Recovery Schedule. An increase in the deposit amount may be required given the nature of the event and at the Department's discretion.

6. For rentals at City parks, fields and facilities, any needed repairs, extra cleaning, or damages to the facilities will be charged the actual cost to bring the facility back to the condition prior to rental.

7. Credit card payments are subject to a processing fee, currently approximately 3.3% per transaction, paid by the user. The fee may vary and is subject to change based on rates charged by the payment processor.

Prop. 26 adds a new definition of “tax” into the California Constitution providing that any government-imposed charge, levy or exaction of any kind is a tax unless it falls into one of a seven express exemptions.

Local Government Taxes under Prop. 26. The measure adds the following language (identified by italics) to Article XIII C of the California Constitution (a portion of Prop. 218 governing taxes):

SECTION 1 (e) As used in this article, “tax” means any levy, charge or exaction of any kind imposed by a local government, except the following:

- (1) *A charge imposed for a specific benefit conferred or privilege granted directly to the payor that is not provided to those not charged, and which does not exceed the reasonable costs to the local government of conferring the benefit or granting the privilege.*

Specific Benefit Exemption. Examples: planning permits, police permits, street closure permits, parking permits in restricted zones, some franchises — to the extent the privilege is not provided to those not charged, and the fee does not exceed the local government’s reasonable costs of service to the fee payer.

- (2) *A charge imposed for a specific government service or product provided directly to the payor that is not provided to those not charged, and which does not exceed the reasonable costs to the local government of providing the service or product.*

Specific Government Service or Product Exemption. Examples: user fees including for utilities (most retail water, sewer, trash and stormwater fees are exempt under exemption #7, discussed below), public records copying fees, DUI emergency response fees, emergency medical and ambulance transport service fees, recreation classes, weed abatement to the extent that the service or product privilege is not provided to those not charged, and the fee does not exceed the reasonable costs of service to the local government.

- (3) *A charge imposed for the reasonable regulatory costs to a local government for issuing licenses and permits, performing investigations, inspections and audits, enforcing agricultural marketing orders, and the administrative enforcement and adjudication thereof.*

Permits and Inspections Exemption. Examples: permits for regulated commercial activities (e.g., dance hall, bingo, card room, check cashing, taxicab, peddlers, catering trucks, massage parlor, firearm dealers, etc.); fire, health, environmental, safety permits; police background checks; pet licenses; bicycle licenses; (where the costs do not exceed the reasonable regulatory costs to the local government for issuing the license or permit.)

- (4) *A charge imposed for entrance to or use of local government property or the purchase rental or lease of local government property.*

Local Government Property Exemption. Examples: facility rental fees, room rental fees, equipment rental fees, on and off-street parking, tolls, franchise, park entrance, museum admission, zoo admission, tipping fees, golf green fees, etc.

- (5) *A fine, penalty, or other monetary charge imposed by the judicial branch of government or a local government as a result of a violation of law, including late payment fees, fees imposed under administrative citation ordinances, parking violations, etc.*

Penalty for Illegal Activity Exemption. Examples: parking fines, code enforcement fees and penalties, late payment fees, interest charges and other charges for violation of the law.

- (6) *A charge imposed as a condition of property development.*

Property Development Exemption. Examples: planning, CEQA, and building permit fees, construction permits, development impact fees, fees imposed to remedy the effects of the fee payor’s operation that are imposed as a condition of property development (including CEQA mitigation measures requiring the payment of money).

- (7) *Assessments and property related fees imposed in accordance with the provisions of Article XIII D. (Proposition 218).*

Prop. 218 Exemption. Examples: assessments on real property for special benefit conferred, fees imposed upon a parcel or a person as an incident of property ownership, and fees for a property related service such as many retail water and sewer fees.
