December 2025

Brooklyn Academy of Global Finance is thriving this Winter! Our students continue to achieve excellence in academics, leadership, and community engagement. This season, we celebrate growth, resilience, and the vibrant spirit that defines our school. Join us as we highlight the year end remarkable accomplishments and events of our BKAGF family!

OUR MISSION

The Brooklyn Academy of Global Finance will prepare students to excel in college and to compete in the global workforce. We will give students a strong business and finance background and an awareness of diverse cultures and economies worldwide.

Our mission will be accomplished through rigorous academic and career-related courses, guest speakers from industry, opportunities for students to visit workplaces and observe employees at work, professional internships, and local and international trips.

BKAGF encourages all students, parents and community leaders to participate in the activities that will make our school a supportive and exciting environment that prepares students for college and makes them ready to compete in the global economy.

Thanks to the generosity of the Promise of August LLC network and a few of our students and staff, this year's Holiday Promise Toy Drive was a great success! 155 toys were collected to spread joy to the 3K through 3rd grade students at P.S 26. We are so proud of our Seniors Morgan, Hassani, and Amyra for volunteering their time and donations making it all the more special with their cheerful engagement.

Staff Holiday Party 2025
