

Sample Outdoor Classroom Planning Document

Existing Resources	Year one	Year Two	Year Three	Costs	Grants/ funding applied for

- Existing resources: Inventory what you already have (hand tools, sheds etc)
- Year one: List resources that are priority additions and the estimated cost
- Year two: List resources that are important additions and the estimated costs
- Year three: List nice-to-have resources that you would like to add, and the estimated cost
- Record grants and funding you have applied for to match anticipated costs
