

# Get paid right where you want it.

Welcome to AnyDay Scheduled Payouts! Set it up once, and your hard-earned money arrives—just like clockwork.

## What is Scheduled Payouts?

With Scheduled Payouts, your earnings are automatically sent to the a bank account of choice that you set up within the AnyDay app on **the 1st and 15th of each month**. A seamless, automated way to receive your payouts on time, every time.

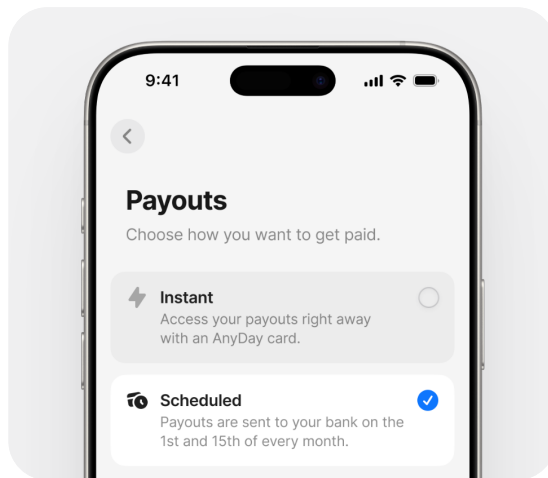

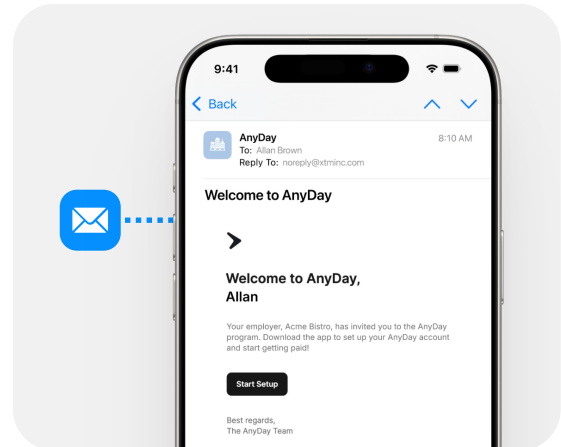

# How does it work?

Follow the simple guide below to easily set up Scheduled Payouts with AnyDay. Complete the process in just a few simple steps.

1

## You're invited! Check your inbox

As soon as your payout manager invites you to AnyDay, you will receive an **email from XTM Inc.** with a link to download the AnyDay app and set up your AnyDay account and virtual card.

2

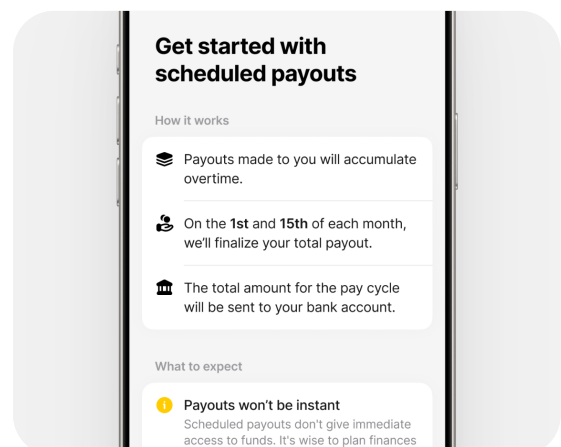

## Select Scheduled Payouts

Once your virtual card is activated, you can go to your “Settings” and select “Scheduled” as your payout preference. You can return to this page anytime to switch your preference.

3

## Understand how it works

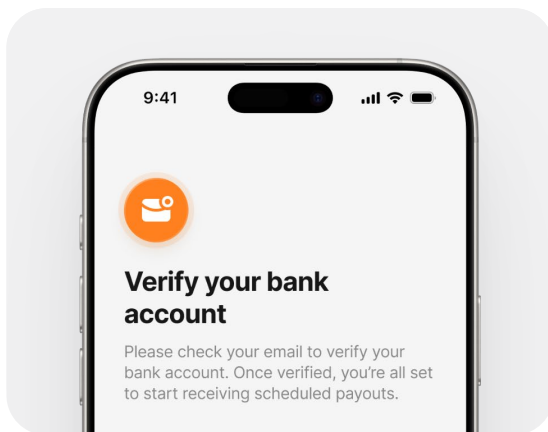

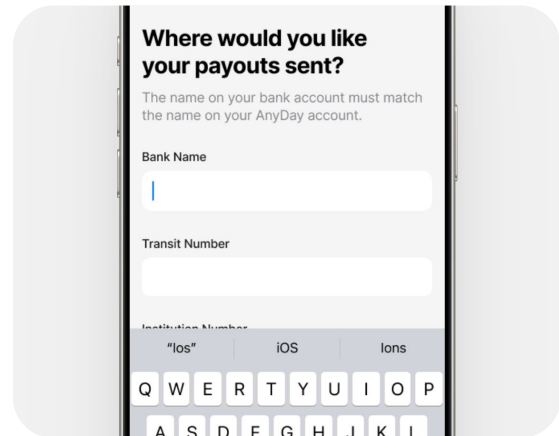

Learn more about how Scheduled Payouts work and what to expect. This page covers your payout schedule and how your earnings are processed—for example, real-time notifications and bank processing time.

4

## Enter banking details & address

You'll be prompted to enter your banking details for where your payouts will be sent. Make sure the name on your external account matches the name on your AnyDay account. If you don't have an address on file with us, you'll be prompted to enter it during setup.

5

## Verify your account

You'll receive an email asking you to verify your account. Click the link in the email to confirm. Once you click **Yes**, you'll see a confirmation message and receive another email confirming that your Scheduled Payouts have been successfully set up. Done! You're all set to receive your earnings!

6

## Switching from Scheduled to Instant Payouts?

You can switch by simply tapping "**Switch to Instant**" on the app home page or by going to **Payouts** in Settings. You'll be guided to verify your existing AnyDay card or activate a new one, depending on your status. Once you've switched, any scheduled payouts you've already set will still arrive on payday—but going forward, all new payouts will be sent instantly to your card.
