

ANYDAY FINANCIAL

Your Hard-Earned Pay, AnyDay. 🙌🙌 Welcome!

AnyDay Financial is the app that makes sure you can access your money when and where you need it. Your pay is instantly deposited to your AnyDay virtual card account. Spend, transfer, access free financial education and more. ✨

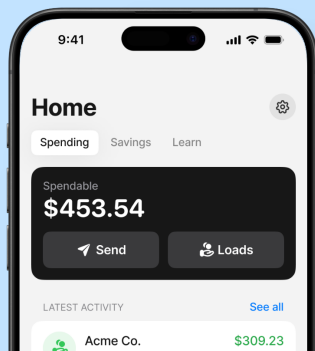

More Than a Mobile Wallet

- ✓ AnyDay Financial is a convenient mobile wallet, linked with a prepaid virtual card. Use your earnings for daily spending or transfer funds to another account.
- ✓ Your funds are secure and protected through Mastercard's zero liability protection plan for purchases made in store, online, or by telephone.
- ✓ AnyDay Financial includes a card lock feature for added protection - much safer and less riskier than cash.
- ✓ Enjoy the ease and convenience of instant access to your money. No more trips to work just to collect your pay—it's all available instantly.
- ✓ Get access to free financial education and more.

Make Money Moves

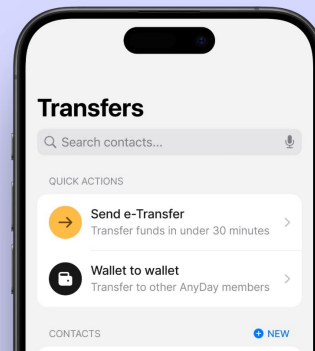

Spend anywhere

Shop anywhere with free unlimited point-of-sale (POS) and online transactions.

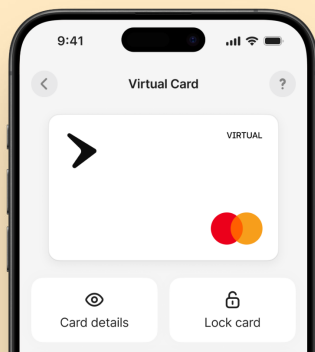

Send money easily

When your money needs to move, we've got you covered. Send e-Transfers anytime.

Stay in control

Lock your card in-app, shop online securely, and rest assured that your money is protected.

Get notified

Never wonder if you've been paid. We'll alert you the moment it happens.

Next Steps

Check your email for an invite from AnyDay—then download the free app and create your virtual card account to get started.
