

# NTRIM

VALUE. TIME. GROWTH.

WE  
MAKE  
YOU  
GROW

NTRIM

# Why 2TRIM exists:

2TRIM was founded with the purpose of bringing the team and management together

We strongly believe that if you build a transparent structure for decision making, consistently follow a set of principles and continuously improve your processes, that you will gain a solid team with trust, the momentum for achieving goals and a long-term profitable business

# Who are we:

- ✓ Hillary
- ✓ Brecht

NTRIM

# Hillary

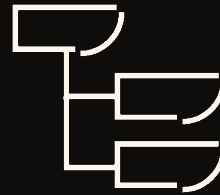

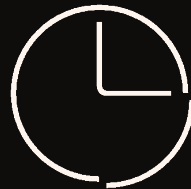

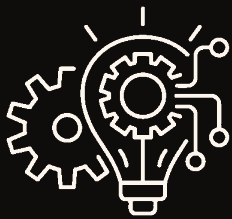

- Guided by a moral compass that includes honesty, respect and openness, what you see is what you get.
- 20+ years experience in managing projects, risk reduction, coaching people and leading teams
- Focus on time, budget, scope and quality but never forget “The People”
- Leading by example with a positive, solution-oriented and proactive approach
- Believing a good attitude can change everything and spreading positive vibes starts within yourself
- Energized by challenges and creating solutions
- Life motto: together, because the whole is greater than the sum of the parts and Carpe Diem!

# Brecht

- Family person, who values honesty and respect
- 20+ years experience in problem-solving, improving processes, cost reduction and working with people
- Priority is safety and people, profit is the result
- Driven by logic and numbers but also understands reasons and behavior.
- Likes humor, active vacations and deep connections

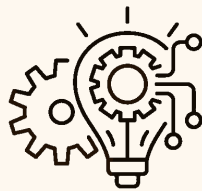

# What do we do:

- ✓ Build systems
- ✓ Manage time
- ✓ Optimize processes
- ✓ Empower change

# Build Systems:

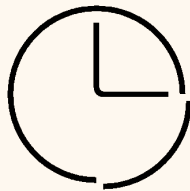

- Create Vision, Mission and Values
- Provide a structure for decision making
- Teach how to use a set of principles
- Learn how to create value by authenticity

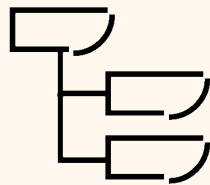

# Manage time:

- Create effective meetings
- Provide tools for efficient planning
- Teach how to prioritize and use the 80/20 rule
- Learn to delegate, decide, trust and grow a team

# Optimize processes:

- Create a structure for managing processes
- Provide tools and techniques for monitor & control
- Teach how to create accountability and awareness
- Learn the principles of business excellence

# Empower change:

- Create a system for continuous improvement
- Provide tools and technique to support your team
- Teach Lean principles and how to implement these
- Learn the impact of small incremental changes

# How do we operate:

- ✓ Diagnose
- ✓ Design
- ✓ Execute
- ✓ Empower

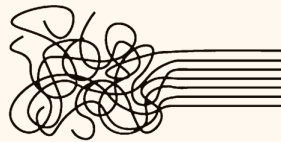

# Diagnose

- Map the current business
- Set benchmarks
- Compare results with the benchmark
- Focus on the 6 “P’s”:
  1. Purpose
  2. Plan
  3. People
  4. Process
  5. Product
  6. Profit

# Design

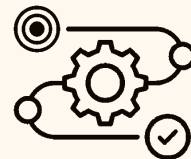

- Set the objectives
- Create SMART goals
- Decide on the strategies
- Determine measurements
- Build a roadmap

NTRIM

# Execute

- Build a team with clear responsibilities
- Delegate work and expected outcome
- Monitor & control all tasks and milestones.
- Set up a communication plan without loose ends
- Create an environment with room for failure and modifications.

# Empower

- Provide the same rules for everybody
- Be consistent in actions and behavior
- Promote positive and pro-active handling
- Give responsibilities based on achievements
- Follow-up on the results and celebrate success

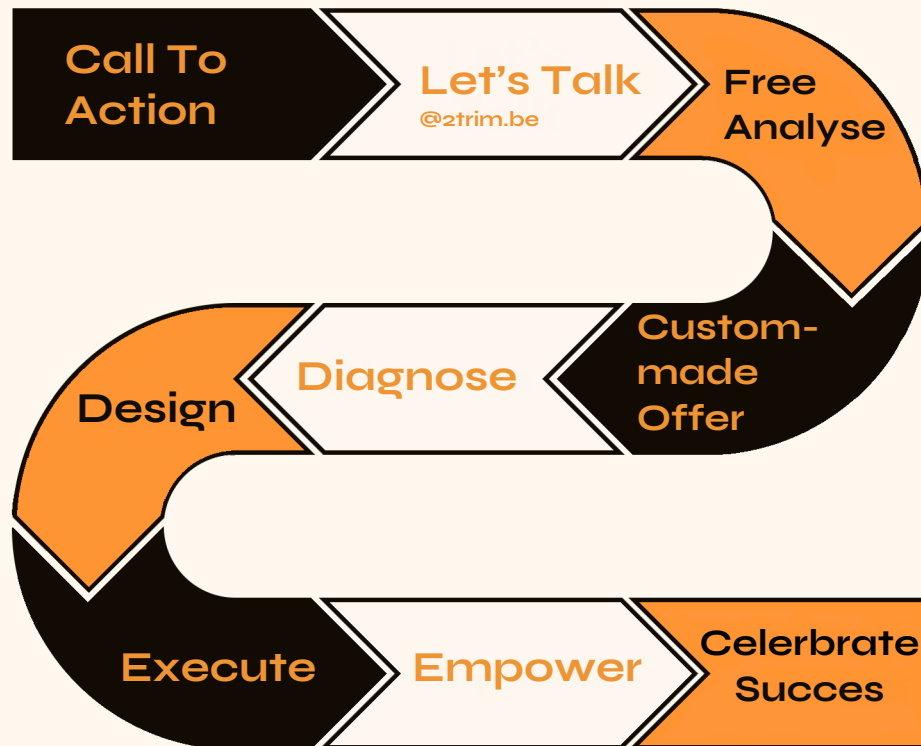

# What we offer:

- ✓ ROI of 12 months
- ✓ A proven concept
- ✓ Down to earth support
- ✓ A custom-made approach
- ✓ Fix project price, so no surprises
- ✓ A partner that has your best interest
