

Halloween Fun with a Teal Pumpkin

Maya put on her star costume and twirled.
“Ready, set, Halloween!”

She and Grandpa walked down the street.
Pumpkins sat on every step: orange, orange,
orange... and one teal!

“Why is that pumpkin teal?” asked Maya.

“A teal pumpkin means this house has treats that aren’t food,” said Grandpa. “Like stickers, bubbles, and glow sticks.”

Maya picked a glow stick. Her friend Leo picked a sticker. Everyone had a happy Halloween.

A little thing like a teal pumpkin can help more friends join the fun.

1 Color the pumpkin teal

Use a blue or green crayon. Add a face, a hat, or stars!

2 Trace the path

Help the friendly ghost find the teal pumpkin.

3 Circle the treats that aren't food

Lollipop

Glow stick

Cookie

Sticker

Candy

Bubbles

Helping children
grow through
everyday moments.

About Ladder Health

Ladder Health provides virtual pediatric speech, occupational, physical, and feeding therapy for young children and their families. Our therapists coach caregivers through everyday routines, play, and real-life moments so children can build skills where life happens.
