

Amplify Your Coaching Impact with Group Coaching HQ

As an internal coach, your role is pivotal in fostering personal and professional growth within your organization. Group Coaching HQ is here to support your development with the skills, knowledge, and resources to enhance your coaching and elevate your impact on employees and teams through group coaching.

Why Group Coaching?

Build Connection, Enhance Skills, and Drive Change Across Your Organization

Group coaching can transform your work, enabling you to guide meaningful conversations that drive both individual and collective growth. Whether you're seeking to expand your coaching toolkit or gain confidence, group coaching offers a scalable, impactful approach.

Expand Your Reach

Group coaching allows you to maximize your coaching impact across different areas and levels of your organization.

Improve Engagement

Foster deep connections and shared learning among participants, driving more engagement and collaboration.

Increase Your Value

Expand your skills and professional reputation while supporting your organization's business growth. P.S. We have ICF-approved offerings!

Solutions to Support Your Internal Coaching Success

ICF-Approved Group Coaching Certification

Build the confidence, credibility, and structure to lead engaging group coaching sessions. Our 12-week ICF-accredited group coaching certification program equips you with practical tools to manage group dynamics, deepen reflection, and expand your coaching impact.

- Strengthen your professional credibility
- Learn proven group coaching techniques
- Build confidence leading group sessions

Practical, Customized Workshops

Sharpen your facilitation toolkit with focused, hands-on workshops designed for internal coaches. Learn practical exercises, reflection tools, and engagement strategies you can immediately bring into your group coaching sessions.

- Practical tools you can use right away
- Customized to your coaching goals
- Designed to boost engagement and impact

Consulting for Group Coaching Implementation

Get expert support to design, structure, and scale group coaching inside your organization. From session design to group dynamics and logistics, we help you create sustainable programs that support meaningful participant growth.

- Custom frameworks for your coaching needs
- Guidance on structure and facilitation
- Support for sustainable coaching practices

Group Coaching Delivery

Expand coaching access without carrying the full delivery load yourself. Group Coaching HQ can manage the experience A-Z, from coach sourcing and participant matching, to session delivery and wrap-up.

- Certified coach matching and delivery
- Support for cohorts, pods, and talent initiatives
- Minimal internal bandwidth required while expanding reach
