

HOW TO USE THE BIBLE SERIES

# GETTING STARTED

AN ENRICH YOUR STUDY TOOL

# FLOW CHART

# RESOURCE DESCRIPTIONS

1

## FLOW CHART

Start with this flow chart to determine which resources in our How to Use the Bible Series are right for you.

2

## VERSIONS OF THE BIBLE

This tool explores why there are different versions of the Bible and which versions might work best for you.

3

## BIBLE FEATURES AND FORMAT

This tool explores physical and internal Bible features, explains page layout, and shows you how to reference Bible verses.

4

## ORGANIZATION OF THE BIBLE

This tool details how the Bible is organized into Testaments and Sections.

5

## BOOK DESCRIPTIONS

This tool provides a brief description of each book of the Bible.

6

## RECOMMENDATIONS

This tool details recommended Bible-reading pathways, tips for maintaining consistent Bible study, and Bible-study testimonies from The Gathering Well Team.

7

## COMPLETE SERIES

This tool contains all of the How to Use the Bible resources in one document, featured in our pamphlet-style formatting.
