PATIENT ACKNOWLEDGEMENT

Read and sign the front page.

I have been informed of and understand the details of the tests ordered herein for me by my healthcare provider, including the risks, benefits and alternatives, and consented to testing. I understand (1) the test results may inform me of a medical condition that may require follow-up and (2) a negative result does not rule out the possibility of such medical condition in the fetus, myself or my partner. I hereby authorize (1) the release to BillionToOne of any medical and insurance information necessary to process claims and recover reimbursement for services provided by BillionToOne and (2) BillionToOne to pursue all necessary appeals of any denials of payment in relation to services provided by BillionToOne. I understand that the test may not be (1) covered by my insurer/health plan, or (2) deemed medically necessary and I am responsible for any costs not paid by my plan directly to BillionToOne, including any copayments, deductibles or amounts deemed 'patient responsibility'. I acknowledge that I may be responsible for non-covered services. BillionToOne may (1) contact my healthcare provider to obtain more information regarding clinical correlation and confirmatory testing and (2) contact my provider or me for test status, billing/collection, quality assurance or research purposes.
